May 19, 1941. Camp Office,  
No. 7 Camp, Eastern Command.

Dear Mr. Pietruschka,

this goes to express our sincere  
gratitude and appreciation of the work you have done in this Camp.  
We can say without exaggeration that the success of our Recreation  
and Musical Department was to a large measure due to your  
virtuosity on the violin. During the past nine months there was no  
show or musical performance in which you did not play a prominent  
part, and it gives us great pleasure to thank you for your  
unceasing efforts and devotion in this small way. Let us say  
that your art has been a great help to your fellow internees in  
difficult times.

With many thanks and best wishes  
for your future

Yours very sincerely

Camp Chaplain Group Captain
